□ Action Taken Report on Student Feedback (2021–22)

1. Overview

Student feedback was collected offline at the end of both semesters. This report summarizes the key findings and the actions implemented.

2. Key Feedback & Action Plan

Feedback Area	Observation	Action Taken	Impact & Future Actions
Teaching Methods	Some students requested more interactive, practical-based teaching.	Organized workshops on <i>Active Learning, Problem-Based Learning</i> , and use of ICT tools (cocaspatna.ac.in).	Increased engagement; peer observations scheduled across departments.
Communication & Soft Skills	Feedback indicated need to improve writing and oral communication.	Language lab initiated; PDP (Personality Development Program) sessions started .	Enhanced student confidence; plan to involve industry experts.
Assessment Transparency	Around 17 % reported inconsistency or unfairness in assessments .	IQAC reviewed practices with department heads; standardized rubrics adopted.	Fairness improved; clarity on grading.
Practical Exposure	Students sought more hands- on/practical work in labs and field visits.	Introduced more OSPE/OSCE sessions; departmental competitions like models, quizzes .	Better preparedness; plan to partner with NGOs for field visits.

Library & E-resources	Demand for extended access, more journals & digital resources.	Extended weekend library hours; acquired additional national & international journals.	Digital library underway.
Infrastructure & Facilities	Requests for better classroom environment & guidance support.	Fixed new fans; added Guidance & Canteen facilities; repaired house-keeping .	Comfortable learning spaces; mentorship initiated.
Administrative & Student Support	High satisfaction, with scope to enhance student section responsiveness.	Strengthened student support systems; launched digital noticeboard.	Feedback and announcements more transparent.

3. Future Initiatives

- **Industry Engagement:** Plan for expert-led workshops, internships, and mock interviews.
 - **Digital Pedagogy:** Expand flipped-classroom models and blended learning approaches.
 - **Holistic Development:** Introduce peer-mentoring, wellness programs, and grievance redressal platforms.
 - **Continuous Feedback Loop:** Quarterly surveys and focus-group sessions to monitor progress.
